Size & Placement

Please include size and placement of prints when ordering. We print using the industry standards unless otherwise stated.

Time

We request 10 working days to print an order, plus shipping time. Artwork approval is required 3 days before production. The charge for rush orders is determined by a number of factors, which will be discussed if needed.

Quantity

There is no minimum for t-shirts on first orders. There are no set-up charges for reorders of 48 or more pieces with 1 or 2 screens. For reorders with 3 to 8 screens, the set-up charge is \$5.00 per screen if less than 144 (call for exceptions).

Print Charges

Screens & Film: Screens are \$25 for custom printing, underlays are \$12.50. There is no extra charge for halftones, tints or 4-color process. Also, there is no charge for vellum. Laser film is 75¢ per color per location.

Ink Wash-Up: There is a charge of \$5 per color for changing an ink in the middle of a production run.

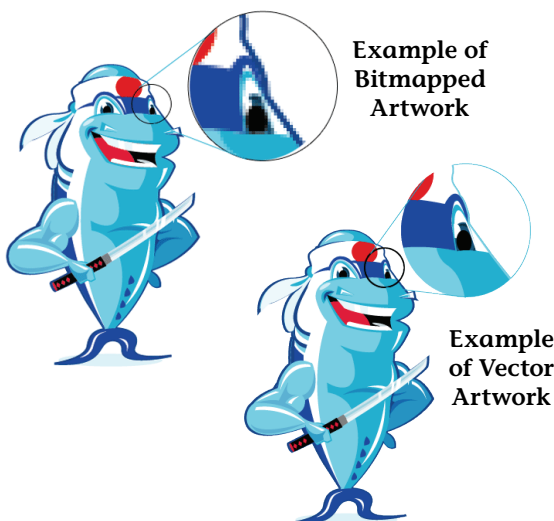

PMS Color Matching: If your design requires specific PMS color matches, there will be a one time \$15 charge for each color matched.

Shipping

We have an account with UPS. DHL, Fed Ex and UPS all have a "Fuel Charge" of about 18¢ per box. There is a \$2.20 charge for residential deliveries and an additional \$2.20 for remote deliveries.

Payment

Unless otherwise contracted, all orders are paid upon completion. Orders over 500 pieces may require a deposit. Any payments paid after thirty (30) days will be charged 1.5% interest.
